On August 18, 1993, City of Refuge was incorporated as a Nevada non-profit charitable corporation. August 18th, 2018 marks 25 years of providing a safe place for pregnant women who have no other place to go. During that time hundreds of babies have been born healthy because their moms chose to give them the gift of life and chose to come to this place for help!

The Gospel has been faithfully presented to every one of these women, and many have come to a living, vibrant faith in Christ. Many young women have gotten their high school diplomas here. All have been shown that life need not be one of addiction, abuse, or neglect, but that life can be full and free and safe. They have seen that Christianity is not a word but is a way of life that leads to joy and peace.

This work has been done by many, many wonderful people who have served these moms, prayed for them, given of their time and their treasure and themselves to both support the work and to do the work of ministry in their lives. All of you, please accept my deepest, heartfelt thanks for your partnership with Diane and me for many years and with Allison and me in these more recent years.

Mollie and Steve Nugent have been among these faithful workers at City of Refuge. They were managers and houseparents for many years and thankfully have decided to return and take over the day to day management of City of Refuge in our place.

Allison and I will continue to be present, to live here, provide counsel as needed, and to be a part of Refuge life, while Mollie and Steve will be leading the work. We are so thankful for their willingness to carry on this ministry!
In the end, City of Refuge is not our work, but the work of our Lord. This is His place, His work and His victory.
Please pray for Refuge, for Mollie and Steve, our Board of Trustees, and for the wonderful moms and babies who pass through our lives!

And please continue to uphold this ministry with your lives and your monetary support, as you have so faithfully done this past 25 years.

David & Allison ❤️
